Dear SAA Families,

It is hard to believe that it is May and the end of the 2018-2019 school year is quickly approaching! We want to thank all of you for attending Parent-Teacher Conferences in April. Also, thank you for visiting the Book Fair and your participation in Grand Adult Luncheons this year. It was a pretty busy week, but a lot of fun for all of us.

We also would like to share with you the outcome of our “Dress-As-You-Wish” fundraiser for Bailey, our new friend from Make-A-Wish. During the 2-day fundraiser, Syracuse Arts Academy-Antelope Elementary donated a total of \$2694.07. Between all of our 3 buildings and a car wash that the Junior High put together, the total amount is almost \$7000.00! Thank you for your generosity during this fundraiser. Our SAA families are absolutely amazing!

With the summer approaching we just wanted to share with you some information to help your students continue to practice the math and reading concepts, skills, and strategies that they have learned this year. One of the best ways to help kids with math is by playing enjoyable games. Math games reduce math anxiety, teach strategic thinking and problem solving, deepen understanding of numbers, allow mistakes and learning, thus reinforcing a growth mindset, and our brains are challenged to be more flexible. Moby Max and ALEKS will be available to students over the summer as well. For reading, students will still be able to access Waterford (Kindergarten and 1st grade), Imagine Learning (2nd and 3rd grade), and Reading A to Z/RAZ Kids over the summer.

May is a very busy month. Please check the important events page in this month’s Monthly Message. Also, teachers will email families with classroom activities and events as well.

As we end the school year we want to thank all of our students for a great school year! It is a joy to work with all of SAA community. Thank you, to our families for your support and all that you do for the school and our students.

Have a great summer!

Mrs. Hotelling
Assistant Principal

Dear Parents,

Spring is in the air! Even though spring fever is among us, here at SAA, students are continuing their hard work as they prepare for next year and the future ahead. We are pleased with the growth and accomplishments of our students and want to thank you, as parents, for the support you provide for your student and the entire SAA family. Teamwork makes the dream work! Teamwork was our character trait focus for the month of March, and these are our students recognized for their ability to work well with others:

K Finn Paskett Reagan Wilcock Payton Hughes Brexlee Taylor

1 Madi Taft James Burton Dylan Houchins Nash Edmonds

2 Vrunda Velamala Rebekah Jenkins Joel Houchins Josh Laws

Julian Vega

3 Braiden Conaster Talon Rowe Tristan Sandborn Treyson Taylor

Chay Sarvello

4 Avery King Amelie Meyers Paislee Jorgensen

5 Emily Neering Halle Bagley Oliver Johnson Brooklynn Speth

6 Zeynel Garcia Carmen Brown Evan McQuarrie Elizabeth Walker

Nathan Maxfield

Congratulations to these amazing students! Much of our success is possible because of our ability to work alongside others toward the same goal. It is a pleasure to witness this everyday through the efforts of our students, parents, administration, and staff. Thank you to each one of you!

Perseverance is our classroom topic through the month of April. Look for our wall of fame students in the next news!
